

PARENT CUSTODIANS

2017-2018

It has been recommended by our maintenance board that parents share in the duty of keeping our school clean. We have no hired custodian to clean this section of our school, therefore volunteers are asked to help out. A clean environment is a proper place to learn.

Two families are assigned to each weekend. It is up to the two families if they want to split the duties or work together.

A school cleaning key can be picked up at the school office during office hours. Please return the key on Monday morning.

All equipment and supplies should be in the custodian room between the school bathrooms. Except - one of the new vaccum cleaners are in the closet in back of church and the other is the back pack vac in the custodian room.

- A. Vacuum hallways and Meeting room
- B. Sweep cobwebs from hallway ceiling especially in the corners.
- C. Wipe off shelves over coat hooks and cubbies with a wet cloth.
- D. Wash boot shelves in hallway as needed.
- E. Clean the water fountain between the school bathrooms.
- F. Wash bathroom fixtures with the cleaners in the custodian room. Be sure to clean the urinals and stools.
Sweep and Mop floors of the school bathrooms. (mop water - 2 squirts of pink floor cleaner. Fill mop bucket 1/2 full water)
- G. See the classroom assigned and follow the instructions placed in that classroom.

NOTE: Please contact the office by noon on Thursday of the week you are scheduled to clean if you plan on cleaning between 3:00-5:00 on Friday. We will notify the student cleaners for that day that they do not have to
