Christ-Centered

Redeemer Lutheran early childhood program is a faith-based approach in which the children hear about their God and Savior through daily Bible lessons and songs and are encouraged to live their faith. All aspects of the day are Christ-centered.

Child-Appropriate Learning

Young children learn and grow during these early years by "discovering and doing"! Our program blends teacher-led group activities with developmentally appropriate play and exploration opportunities. A consistent routine and loving environment help children feel comfortable and secure.

Our Curriculum includes daily Bible Lessons, and supports

- social interaction
- cooperative play
- hands-on learning centers
- music
- fine motor skills
- gross motor skills
- age-appropriate academics
